

# A municipal bond can never be too liquid. And an insurer can never be too solid.

1

Municipal issuers achieve significant cost reductions when they issue bonds with our guaranty.

2

Bonds we insure tend to hold their market value better than comparable uninsured bonds of the same distressed issuer.

3

Claims-paying resources of approximately \$11 billion\* across the Assured Guaranty group.

4

\$3.6 billion in net deferred premium revenue.

5

Stronger, safer investments from the proven leader in municipal bond insurance.
