

Times like these require great reserves of strength. Financial and otherwise.

Bringing a structured financing to market – or investing in one – during a stormy economy can be fraught with challenges and uncertainty. Assured Guaranty's financial strength and experience can give investors greater confidence and enable a more successfully executed securitization.

- Our guaranty of timely principal and interest payments is unconditional and irrevocable.
- Our financial strength has continuously protected investors from unforeseen events – and reduced borrowing costs on transactions – for more than three decades.
- We have a strong balance sheet, significant liquidity and a business model that has stood the test of time.
- We came through the Great Recession as the industry leader, with high credit ratings, and have consistently maintained \$11 billion or more in group claims-paying resources.*
- Since 1985, Assured Guaranty companies have guaranteed more than \$725 billion of asset-backed securities and other structured financings across many asset classes.
