Footnotes:

- Excludes the financial products business, which is being run off with the final maturity due in 2031. Assured Guaranty is indemnified by Dexia SA and certain of its affiliates against loss from the former financial products business.
- The CUSIP/ISIN for transactions that were executed as a CDS represent the CUSIP/ISIN on the referenced obligation.
- Assured Guaranty's internal rating as of 12/31/25. Internal credit ratings are expressed on a ratings scale similar to that used by the rating agencies and are generally reflective of an approach similar to that employed by the rating agencies, except that the Company's internal credit ratings focus on future performance rather than lifetime performance.
- Insured transactions previously insured by another monoline financial guaranty insurance company (i.e., where Assured Guaranty would be the second-to-pay) are shown with a rating equal to the higher of our estimate of the rating of the underlying transaction and the internal rating of the other monoline. The internal rating of the monoline generally reflects the lowest rating agency rating.
- CDS - Credit Default Swap; FG - Financial Guaranty Policy.
- Prior to the Third Quarter 2013, the Company had included securities purchased for loss mitigation both in its invested assets portfolio and its financial guaranty insured portfolio. Beginning with the Third Quarter 2013, the Company has excluded such loss mitigation securities from its disclosure about its financial guaranty portfolio.
- Included in the Bank of America agreement dated as of April 14, 2011.
- The Company has reclassified a portion of exposure as AA (if the underlying rating is lower than AA) due to a reinsurance agreement reached with the counterparty that has been fully collateralized.
- Reinsurance business assumed from third party cedents.
- Part of an initial \$371 million transaction referencing 25 individual securities, 8 of which are currently outstanding.
